

3604. WORKSHEET S-2 - HOSPITAL AND HOSPITAL HEALTH CARE COMPLEX IDENTIFICATION DATA

The information required on this worksheet is needed to properly identify the provider. The responses to all lines are Yes or No unless otherwise indicated by the type of question.

Lines 1 and 1.01--Enter the street address, post office box (if applicable), the city, state, zip code, and county of the hospital.

Lines 2 through 17--Enter on the appropriate lines and columns indicated the names, provider identification numbers, and certification dates of the hospital and its various components, if any. Column 2.01 is reserved for future use. Indicate for each health care program the payment system applicable to the hospital and its various PPS hospital or subprovider checks O for all cost reporting periods through the end of its first 12 month cost reporting period. The 12 month cost reporting period also becomes the TEFRA base period unless an exemption under 42 CFR 413.40(f) is granted. If such an exemption is granted, check O through the end of the exemption period. The last 12 month period of the exemption is the TEFRA base period. Cost reimbursement designation of O is no longer applicable for TEFRA facilities for periods beginning on or after October 1, 1997.

Line 2--This is an institution which meets the requirements of §1861(e) or §1861(mm)(1) of the Act and participates in the Medicare program or is a Federally controlled institution approved by CMS.

Line 3--This is a portion of a general hospital which has been issued a subprovider identification number because it offers a clearly different type of service from the remainder of the hospital, e.g., long term psychiatric. See CMS Pub. 15-I, chapter 23, for a complete explanation of separate cost entities in multiple facility hospitals. While an excluded unit in a hospital subject to PPS may not meet the definition of a subprovider, treat it as a subprovider for cost reporting purposes. If you have more than one subprovider, subscript this line. Cost reimbursement designation of O is no longer applicable for TEFRA facilities for periods beginning on or after October 1, 1997.

Line 4--This is a rural hospital with fewer than 100 beds that is approved by CMS to use these beds interchangeably as hospital and skilled nursing facility beds with payment based on the specific care provided. This is authorized by §1883 of the Act. (See CMS Pub. 15-I, §§2230-2230.6.) Effective for cost reporting periods beginning on or after July 1, 2002, Medicare swing-bed services will be paid under the SNF PPS system (indicate payment system as "P"). CAHs are reimbursed on a cost basis for swing-bed services and should indicate "O" as the payment system.

Line 5--This is a rural hospital with fewer than 100 beds that has a Medicare swing bed agreement approved by CMS and that is approved by the State Medicaid agency to use these beds interchangeably as hospital and other nursing facility beds, with payment based on the specific level of care provided. This is authorized by §1913 of the Act. Swing bed-NF services are not payable under the Medicare program but are payable under State Medicaid programs if included in the Medicaid State plan.

Line 6--This is a distinct part skilled nursing facility that has been issued an SNF identification number and which meets the requirements of §1819 of the Act. For cost reporting periods beginning on or after October 1, 1996, a complex can not contain more than one hospital-based SNF or hospital-based NF.

Line 7--This is a distinct part nursing facility which has been issued a separate identification number and which meets the requirements of §1905 of the Act. (See 42 CFR 442.300 and 42 CFR 442.400 for standards for other nursing facilities, for other than facilities for the mentally retarded, and for facilities for the mentally retarded.) If your state recognizes only one level of care, i.e., skilled, do not complete any lines designated as NF and report all activity on the SNF line for all programs. The NF line is used by facilities having two levels of care, i.e., either 100 bed facility all certified for NF and partially certified for SNF or 50 beds certified for SNF only and 50 beds certified for NF only.

If the facility operates an Intermediate Care Facility/Mental Retarded (ICF/MR) subscript line 7 to 7.01 and enter the data on that line Note: Subscribing is allowed only for the purpose of reporting an ICF/MR. FIs will reject a cost report attempting to report more than one nursing facility (9/96).

Line 8--This is any other hospital-based facility not listed above. The beds in this unit are not certified for titles V, XVIII, or XIX.

Line 9--This is a distinct part HHA that has been issued an HHA identification number and which meets the requirements of §§1861(o) and 1891 of the Act. If you have more than one hospital-based HHA, subscript this line, and report the required information for each HHA.

Line 10--Do not use this line.

Line 11--This is a distinct entity that operates exclusively for the purpose of providing surgical services to patients not requiring hospitalization and which meets the conditions for coverage in 42 CFR 416, Subpart B. The ASC operated by a hospital must be a separately identifiable entity which is physically, administratively, and financially independent and distinct from other operations of the hospital. (See 42 CFR 416.30(f).) Under this restriction, hospital outpatient departments providing ambulatory surgery (among other services) are not eligible. (See 42 CFR 416.120(a).)

Line 12--This is a distinct part hospice and separately certified component of a hospital which meets the requirements of §1861(dd) of the Act. No payment designation is required in columns 4,5, and 6. (10/00)

Line 13--Do not use this line.

Line 14--This line is used by rural health clinics (RHC) and/or Federally qualified health clinics (FQHC) which have been issued a provider number and meet the requirements of §1861(aa) of the Act. If you have more than one RHC, report on lines 14 through 14.09. For FQHCs, report on lines 14.10 through 14.19. Report the required information in the appropriate column for each. (See Exhibit 2, Table 4, Part IV, page 36-755.) RHCs and FQHCs may elect to file a consolidated cost report pursuant to CMS Pub. 100-4, chapter 9, §30.8. Do not subscript this line if you elect to file under the consolidated cost reporting method. See section 3608.2 for further instructions.

Line 15--This line is used by hospital-based comprehensive outpatient rehabilitation facilities, community mental health centers, outpatient physical therapy, outpatient occupation therapy, and/or outpatient speech pathology clinics. Report these provider types on lines 15 through 15.09; 15.10 through 15.19; 15.20 through 15.29, 15.30 through 15.39; and 15.40 through 15.49, respectively. (See Exhibit 2, Table 4, Part III, page 36-755.)

Line 16--If this facility operates a renal dialysis center, enter in column 2 the satellite number. Subscript this line for more than one satellite facility.

Line 17--Enter the inclusive dates covered by this cost report. In accordance with 42 CFR 413.24(f), you are required to submit periodic reports of your operations which generally cover a consecutive 12 month period of your operations. (See CMS Pub. 15-II, §§102.1-102.3 for situations where you may file a short period cost report.)

Line 18--Indicate the type of control or auspices under which the hospital is conducted as indicated.

**NOTE:** Long term care hospitals are hospitals organized to provide long term treatment programs with lengths of stay greater than 25 days. These hospitals may be identified in 2 ways:
