For cost reporting periods ending on or after September 30, 2017, report a post step-down adjustment, if applicable, for each non-provider operated NAHE program identified on Worksheet S-2, subscripts of line 60, with a code of "2" or "3" in column 3:

1. for the portion of program cost that exceeds the percentage of total allowable provider cost attributable to NAHE clinical training costs reported in the most recent cost reporting period ending on or before October 1, 1989, as defined in 42 CFR 413.85(g)(2)(iii).
2. for the portion of program costs that the provider did not incur for courses that were included in the program as defined in 42 CFR 413.85(g)(3)(iii);

For each non-provider operated NAHE program, enter a brief description of the post step-down adjustment in column 1. Enter in column 2 the worksheet code "4." These post step-down adjustments are applied to Worksheet D, Parts III, and IV. Enter the Worksheet A line number of the NAHE program being adjusted in column 3. Column 3 must be either nursing school (line 20, or a subscript of line 20) or paramedical education/allied health (line 23, or a subscript of line 23). Enter the post step-down adjustment amount in column 4.

For example: The provider qualifies for pass-through payment under 42 CFR 413.85(g)(2) for a non-provider operated nursing school program reported on Worksheet A, line 20. The pass-through cost for the program is limited to a percentage of allowable cost attributable to the clinical training cost in the provider's most recent cost reporting period ending on or before October 1, 1989. The provider's capped percentage in the current cost reporting period, based on the cost reporting period ending on or before October 1, 1989, is 10 percent, calculated in accordance with 42 CFR 413.85(g)(2)(iii). The post step-down adjustment would be calculated as follows:

Current year total allowable costs (W/S A, col. 7, line 118):	\$1,500,000
Times 10 percent (1989 cap):	\$150,000
Current year nursing school clinical training costs (W/S A, col. 7, line 20):	\$180,000
Current year cost in excess of cap (\$180,000-\$150,000):	\$30,000
Percentage of cost in excess of cap (\$30,000/\$180,000):	<i>17%</i>
Current year nursing school clinical training costs (W/S B, Part I, col. 20, line 20):	\$225,000
W/S B-2 post step-down adjustment needed (\$225,000 x <i>17%</i> ):	<i>\$38,250</i>

NOTE: Do not use this worksheet to reduce the total allowable costs that are directly related to the NAHE programs by the revenue received from tuition and student fees. Use Worksheet A-8 to offset NAHE program costs by tuition and student fees (42 CFR 413.85(d)(2)(i)). Do not use a post step-down adjustment.
