

If you answered yes to question 57 on Worksheet S-2 subscript this column and report in column 2 nursing school, column 2.01 allied health costs (paramedical education) and column 2.02 all other medical education costs.

Column 3--Compute the amount of the swing bed adjustment. If you have a swing bed agreement or have elected the swing bed optional method of reimbursement, determine the amount for the cost center in which the swing beds are located by multiplying the sum of the amounts in columns 1 and 2 by the ratio of the amount entered on Worksheet D-1, line 26 to the amount entered on Worksheet D-1, line 21.

Column 4--Enter the sum of columns 1 and 2 minus column 3.

Column 5--Enter on each line the total patient days, excluding swing bed days, for that cost center. Transfer these amounts from the appropriate Worksheet D, Part I, column 7. For SNF cost reporting periods beginning on or after July 1, 1998, enter the program days from worksheet S-3, Part I, column 6, line 15.

Column 6--Divide the cost of each cost center in column 4 by the total patient days in column 5 for each line to determine the pass through cost. Enter the resultant per diem cost in column 6.

Column 7--Enter the program inpatient days for the applicable cost centers. Transfer these amounts from the appropriate Worksheet D, Part I, column 8. For SNF cost reporting periods beginning on or after July 1, 1998, enter the program days from worksheet S-3, Part I, column 4, line 15.

Column 8--Multiply the per diem cost in column 6 by the inpatient program days in column 7 to determine the program's share of pass through costs applicable to inpatient routine services, as applicable. Transfer the sum of the amounts on lines 25 through 30 and 33 to Worksheet D-1, line 50 for the hospital. Transfer the amount on line 31 to the appropriate Worksheet D-1, line 50 for the subprovider. If you are a title XVIII hospital or subprovider paid under PPS, also transfer these amounts to the appropriate Worksheet E, Part A, line 14. For SNF, NF or ICF/MR that follow Medicare principles for cost reporting periods beginning on or after July 1, 1998, transfer the amount on column 8, line 34 to Worksheet E-3, Part III, line 28.

3621.4 Part IV - Apportionment of Inpatient/Outpatient Ancillary Service Other Pass Through Costs--The TEFRA rate of increase limitation applies to inpatient operating costs. In order to determine inpatient operating costs, it is necessary to exclude capital-related and medical education costs as these costs are reimbursed separately. Hospitals and subprovider components subject to PPS must also exclude nonphysician anesthetist and direct medical education costs as these costs are reimbursed separately. Determine capital-related inpatient ancillary costs on Worksheet D, Part II. For cost reporting periods beginning on or after July 1, 1998, SNFs are required to report medical education costs as a pass through cost. Prepare a separate Worksheet D, Part IV for the SNF and NF/ICFMR (if applicable). Beginning August 1, 2000, hospital payment for outpatient services will be made prospectively with the exception of certain pass through costs identified on this worksheet.

This worksheet is provided to compute the amount of pass through costs other than capital applicable to hospital inpatient and outpatient ancillary services for titles V, XVIII, Part A, and XIX. Complete a separate copy of this worksheet for each subprovider for titles V, XVIII, Part A, and XIX, as applicable. In this case, enter the subprovider component number in addition to showing the provider number.

Make no entries on this worksheet for any costs centers with a negative balance on Worksheet B, Part I, column 27.

Column 1--Enter on each line (after any adjustments made after cost finding) the nonphysician anesthetist cost for hospitals and components qualifying for the exception to the CRNA fee schedule. (See §3610, line 20 description for more information.) Obtain this amount from Worksheet B, Part I, column 20 plus or minus any adjustments reported on Worksheet B, Part I, column 26 for

nonphysician anesthetist. For the hospital and subprovider (if applicable) components only, enter on line 62, observation beds, the amount from Worksheet D-1, Part IV, column 5, line 88.

Column 1.01--For cost reporting periods ending on or after 4/1/2003, column 1 will be subscripted. Column 1.01 will represent outpatient CRNA costs for hospitals and components qualifying for the exception to the CRNA fee schedule. For cost reporting periods that straddle April 1, 2003, prorate the amount in column 1 by the ratio of days prior to 4/1/2003 to total days in the cost reporting period. For cost reporting periods beginning on or after 4/1/2003 do not complete this column (enter zero).

Column 2--Enter on each line (after taking into consideration any adjustments made in column 26 of Worksheet B, Part I) the direct medical education costs for each cost center, as appropriate. Obtain this amount from Worksheet B, Part I, sum of columns 21 and 24 plus or minus post step down adjustments made on Worksheet B, Part I, column 26 applicable to direct medical education costs. For SNFs enter the sum of columns 21 through 24 unless the hospital is receiving graduate medical education payments reported on worksheet E-3, Part IV (Worksheet S-2, line 25.02 with a yes response); then report the sum of columns 21 and 24 only (7/98). For the hospital and subprovider (if applicable) components only, enter on line 62 the sum of the hospital and subprovider observation bed amounts from Worksheet D-1, Part IV, column 5, line 89.

NOTE: If you qualify for the exception in 42 CFR 413.86(e)(4), all direct graduate medical education costs for interns and residents in approved programs are reimbursed as a pass through based on reasonable cost. Enter the amount from Worksheet B, Part I, sum of columns 21 through 24 plus or minus post step down adjustments (reported on Worksheet B-2) applicable to medical education costs.

If you answered yes to question 57 on Worksheet S-2, subscript this column and report in column 2 nursing school, column 2.01 allied health costs (paramedical education) and column 2.02 all other medical education costs.

Enter the costs of administering blood clotting factors to hemophiliacs in column 2.03, line 46.30 from Worksheet B, column 27, subscript of line 46 containing the corresponding costs. Complete only columns 2.03 and 3 through 7 for this entry. (8/31/02) (see §4452 of BBA 1997)

Column 3--Enter on each appropriate line the sum of the amounts entered on the corresponding lines in columns 1 and 2.

Column 3.01--For cost reporting periods ending on or after 4/1/2003, column 3 will be subscripted. Column 3.01 will represent outpatient other pass-through costs. Enter on each appropriate line the sum of the amounts entered on the corresponding lines in columns 1.01 and 2, including subscripts of column 2.

Column 4--Enter on each line the charges applicable to each cost center as shown on Worksheet C, Part I, column 8.

Column 5--Divide the cost of each cost center in column 3 by the charges in column 4 for each line to determine the cost/charge ratio. Round the ratios to six decimal places, e.g., round .0321514 to .032151. Enter the resultant departmental ratio in column 5.

Column 5.01--For cost reporting periods ending on or after 4/1/2003, column 5 will be subscripted. Divide the cost of each cost center in column 3.01 by the charges in column 4 for each line to determine the cost/charge ratio. Round the ratios to six decimal places, e.g., round .0321514 to .032151. Enter the resultant departmental ratio in column 5.01.

Column 6--Enter on each line titles V, XVIII, Part A, or XIX inpatient charges from Worksheet D-4. Do not include in Medicare charges any charges identified as MSP/LCC.

Column 7--Multiply the ratio in column 5 by the charges in column 6 to determine the program's share of pass through costs applicable to titles V, XVIII, Part A, or XIX inpatient ancillary services, as appropriate.

Column 8--Enter on each line titles XVIII, Part B, V or XIX (if applicable) outpatient charges from Worksheet D, Part V, column 5.01, 5.03, and 5.04, if applicable. Do not include in Medicare charges any charges identified as MSP/LCC (8/00).

NOTE: Columns 8 and 9 will be subscripted to reflect to separate columns for worksheet D, Part V, columns 5.03 and 5.04, if applicable. (8/2000)

Column 9--Multiply the ratio in column 5 by the charges in column 8 to determine the program's share of pass through costs applicable to titles XVIII, Part B, V or XIX (if applicable) outpatient ancillary services, as appropriate (8/00).

For hospitals and subproviders transfer column 7, line 101 to Worksheet D-1, Part II, column 1, line 51. If you are a PPS hospital or subprovider, also transfer this amount to Worksheet E, Part A, line 15. For SNFs, NFs, and ICF/MRs for titles XVIII and XIX, for cost reporting periods beginning on or after July 1, 1998, transfer the amount on line 101 to Worksheet E-3, Part III, line 29 (7/98).

Column 9 (and subscripts)--For cost reporting periods ending prior to 4/1/2003, multiply the ratio in column 5 by the charges in column 8 (and subscripts). For cost reporting periods ending on or after 4/1/2003, multiply the ratio in column 5.01 by the charges in Column 8 (and subscripts).

3621.5 Part V - Apportionment of Medical and Other Health Services Costs--This worksheet provides for the apportionment of costs applicable to hospital outpatient services reimbursable under titles V, XVIII, and XIX, as well as inpatient services reimbursable under title XVIII, Part B. Title XVIII is reimbursed in accordance with 42 CFR 413.53. Do not complete this worksheet for an RPCH component that has elected the all-inclusive payment method for outpatient services. (See Worksheet S-2, lines 30 through 30.02.) Payment under the all-inclusive payment method for outpatient services is computed on Worksheet C, Part V. Critical access hospitals do not complete columns 2 through 4 and 6 through 8 of this worksheet. Providers exempt from outpatient PPS (i.e., SNFs, CAHs, & swing bed SNFs), complete columns 5 and 9. All other providers subscript columns 5 and 9 as necessary.

NOTE: Do not enter CORF, OPT, OSP, OOT, or CMHC charges on Worksheet D, Part V. Report those charges on Worksheet J-2.

For title XVIII, complete a separate Worksheet D, Part V, for each provider component as applicable. Enter the applicable component number in addition to the hospital provider number. Make no entries in columns 6 through 9 of this worksheet for any cost centers with a negative balance on Worksheet B, Part I, column 27. However, complete columns 2 through 5 for such cost centers.

For cost reporting periods that end on or after October 1, 1997, and before September 30, 1998, subscript columns 2 through 4 and 6 through 8 and report the charges and cost during the period for services prior to October 1, 1997, in columns 2 through 4 and 6 through 8 and report the charges and costs for the periods on or after October 1, 1997, and before September 30, 1998 in columns 2.01 through 4.01 and 6.01 through 8.01. The subscripting is required as a result of the change in
